

AQSA MUMTAZ

SEO Executive & Content Writer

✉ aqsamumtaz531@gmail.com | ☎ 03224139643 | [LinkedIn Profile](#) | 📍 Lahore, Pakistan

PROFESSIONAL SUMMARY

Results-driven SEO Executive and Content Writer with 3+ years of hands-on experience delivering measurable organic growth for e-commerce, health, legal, and B2B clients. Proven track record of scaling websites from near-zero visibility to thousands of monthly clicks, including growing a client from 16 clicks/month to 2,210+ clicks/month and building a domain to 171K impressions within months. Proficient in full-spectrum SEO strategy (on-page, off-page, technical), content creation, and data-driven reporting. Seeking a challenging role where analytical SEO skills and editorial expertise drive measurable business growth.

EXPERIENCE

SEO Executive / Content Writer | **Bytevia Solutions** | Lahore, Pakistan | September 2025 – Present

Tools: Semrush, Ahrefs, Google Search Console, Google Analytics, Screaming Frog, Trello, Slack

► Wildland Blades

Shopify-based e-commerce store specializing in knives and blades (wildlandblades.com)

- **Led end-to-end SEO strategy** (on-page, off-page, and technical) for a Shopify e-commerce store, producing all website content including product pages, category descriptions, and blogs.
- **Scaled organic impressions to 171,000+** over 3 months with 624 total clicks and an average search position of 8.3.
- **Improved average ranking position from 41.1 → 8.3**, a improvement in SERP visibility within the campaign period.
- **Drove CTR improvement** through metadata optimization and structured content, achieving 2.8% CTR on high-intent queries within the first 7 days of optimization.
- **Authored 20+ SEO-optimized product and blog pages**, targeting commercial and informational keywords across the blades/outdoors niche.

SEO Executive / Content Writer | **Growth Marvels** | Lahore, Pakistan | April 2023 – August 2025

Tools: Trello, Slack, Semrush, Google Search Console, Google Analytics, Ahrefs, MozBar, MS Excel

► Diabetes Telecare

Health-focused website offering expert insights, blogs, and resources on diabetes management.

- **Grew organic clicks from 16/month to 2,210+/month** through consistent SEO content strategy, on-page optimization, and off-page link building.
- **Scaled total impressions from 122 → 411,000+**, reflecting strong keyword ranking growth across the health niche.
- **Maintained average search position of 10.1 → 12.9** as keyword portfolio expanded, with a peak CTR of 13.1% demonstrating high content-query relevance.
- **Produced 50+ long-form SEO blog posts** on diabetes management topics.

► GenZed

UK-based bookkeeping and accounting service provider for Gen Z entrepreneurs and small businesses.

- **Executed on-page SEO audit and content optimization** across 15+ existing service pages, improving keyword targeting and meta structures.
- **Built 30+ quality backlinks** through guest posting and niche directory submissions, strengthening domain authority for competitive UK accounting keywords.
- Improved Google rankings for target service-page keywords through structured internal linking and schema optimization.

► Cleaning Diaries

Informational blog platform on car cleaning, detailing techniques, and product recommendations.

- **Published 25+ SEO-optimized blog posts** on car detailing, targeting long-tail keywords with full on-page optimization (meta tags, headers, internal links).
- Established consistent content calendar and topical cluster strategy, building topic authority in the car care niche.

► Growth Marvels

Digital marketing agency targeting U.S. audience with SEO, content marketing, and branding services.

- **Authored 20+ SEO-optimized service pages, blogs, and case studies**, improving search rankings and generating inbound leads for the agency's own digital presence.
- Implemented on-page SEO best practices across the website, including schema markup, canonical tags, and optimized URL structures.

► Fastlane Legal Services

Professional legal consultancy firm providing expert legal advice across various domains.

- **Developed 15+ SEO-friendly service pages, FAQs, and blog posts** simplifying complex legal topics for a general audience, improving dwell time and user engagement.
- Applied E-E-A-T content principles to build trust signals and improve Google's quality assessment of legal content pages.
